## Atlanta Geological Society March Meeting Has Been Canceled

The Atlanta Geological Society Officers along with the closure of the Fernbank Museum of Natural History have decided to CANCEL our monthly meeting scheduled for March 31.

The Atlanta Geological Society Officers will determine the status of our April meeting by April 14th. Our decision to host or cancel a monthly meeting will be based on the advice and guidelines of national, state, and local health and safety agencies.

The Atlanta Geological Society Officers encourage our members to be safe and follow the personal hygiene and interaction guidelines from CDC.gov (<https://www.cdc.gov/coronavirus/2019-ncov/prepare/prevention.html>).

**\*\*Also, our April Atlanta Geological Society meeting day has been changed from April 28 to April 21. \*\***
