Atlanta Geological Society
Executive Committee Meeting Minutes
August 19, 2025

Submitted by Jane Lomas

Attendees: Scott Harris, Pam Gore, Jane Lomas, Will Dunn, Debbie Gordon

Meeting called to order at 6:15 pm

Minutes from April 22, 2025 meeting were approved.

Membership Status and Treasurer's Report – No updates on bank account. John Salvino not present.

Old Business: Signature cards at B of A have not been addressed. Still needs to be done. Scott thinks senior members should be removed from $$ and responsibilities fall to Secretary and Treasurer

Bylaw review – Scott asked board members about how we felt about updating the bylaws. Reviewed why the subject came up, we were thinking about it. Will of the mind – whatever we can do with the most effectiveness. Members are busy, decisions made by board members who are involved are what happens. All this done under Ad Hoc rule, kind of died, if it comes up again, we'll address then.

New Business:
Scott asked if we've received any updates on the next PG workshop will be. Negative. Scott emailed Ben Black to find out and did not hear from him either. Scott to try one more time to reach Ben and if not, he's got Eric Crisp who is interested.

Scott on behalf of AGS has taken possession of a large fossil collection he will curate for a while with hopes it will go to the Natural Science Museum. He hopes to make Kits / lending libraries for educators or rent if possible. Scott will bring some examples to meeting for us to see.
